INDEPENDENT AUDITORS' REPORT

Board of Directors The Global Fund for Children Washington, DC

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of The Global Fund for Children and Affiliate, which comprise the consolidated statements of financial position as of June 30, 2015 and 2014, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We did not audit the financial statements of The Global Fund for Children UK Trust, a wholly owned affiliate, which statements reflect total assets of \$204,490 and \$195,794 as of June 30, 2015 and 2014, respectively, and total revenues of \$1,140,315 and \$747,282, respectively, for the years then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for The Global Fund for Children UK Trust, is based solely on the report of the other auditors. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors Global Fund for Children

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of The Global Fund for Children and its Affiliate as of June 30, 2015 and 2014, and the changes in their net assets and their cash flows for the years then ended in accordance with U.S. generally accepted accounting principles in the United States of America.

GFC is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC). The Internal Revenue Service has classified GFC as a publicly supported foundation under sections 509(a)(1) and 170(b)(1)(A)(VI) of the IRC. The Global Fund for Children UK Trust is exempt from tax in the UK under Section 505 of the Taxes Act of 1988.

GFC has adopted the guidance in the income tax standard regarding the recognition and measurement of uncertain tax positions. The implementation of this guidance had no impact on GFC's financial statements. GFC believes it has appropriate support for unrelated trade or business positions and, as a result, does not have uncertain income tax positions that have a material impact on the financial statements. GFC files as a tax-exempt organization.

Use of Estimates

Management used estimates and assumptions in preparing the consolidated financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash Equivalents

For consolidated financial statement purposes, GFC considers its money market funds to be cash equivalents. Restricted cash is maintained in a separate bank account as a depository for donor-restricted contributions and grants. These funds are released after satisfying the purposes and conditions of the restrictions.

Accounts Receivable

Accounts receivable are recorded at their net realizable value. Accounts 90 days past due are analyzed for collectability and when all collection efforts have been exhausted, the account is written off to bad debts.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. There were no conditional promises to give at June 30, 2015 and 2014.

Investments

Investments consist of equity securities, equity mutual funds and fixed income mutual funds. These investments are recorded in the accompanying financial statements at fair market value. Interest, dividends and realized gains or losses are recorded when earned. Fluctuations in the fair value of the portfolio are recorded as unrealized gains or losses.

Fair Value of Financial Instruments

Fair Value Measurements

GFC accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement. GFC accounts for certain financial assets and liabilities at fair value under various accounting literature. GFC also accounts for certain assets at fair value under applicable industry guidance.

Fair Value Hierarchy

GFC has categorized its consolidated financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Hierarchy (Continued)

Financial assets and liabilities recorded on the consolidated statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that GFC has the ability to access.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include among others, quoted prices for similar assets or liabilities in active market or non-active market.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

Property and Equipment

Furniture and equipment are recorded at cost and are depreciated on the straight-line basis over the estimated useful lives of the assets of three to five years. Leasehold improvements are amortized over the life of the lease. GFC capitalizes all purchases of long-lived assets in excess of \$1,000, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Grants Payable

Grants payable, included in accounts payable and accrued expenses, are recorded when committed by the Board of Directors. Grants payable totaled \$112,256 and \$619,900 for the years ended June 30, 2015 and 2014, respectively.

Net Assets

Net assets are classified for accounting and reporting purposes according to their nature and purpose and based upon the existence or absence of any restrictions thereon. A description of each net asset group is as follows:

<u>Unrestricted Net Assets</u> – represents funds presently available for use by GFC at its discretion.

<u>Temporarily Restricted Net Assets</u> – represents unspent contributions and grants that are restricted for use in certain GFC programs or by time.

<u>Permanently Restricted Net Assets</u> – represents contributions that are to be held by GFC in perpetuity.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Intangible Assets

As of June 30, 2015, GFC owned the intellectual property for 36 titles that are printed as 23 hardcover books, 15 paperback books, 5 board books and 5 resource guides. These books and curricula, which are authored and published under the brand "Global Fund for Children Books" (formerly Shakti for Children™), represent intellectual property which belongs to GFC, and upon which it earns copyright royalties. The value of the intangible assets has not been determined or recorded on the consolidated statements of financial position of the Organization.

Contributions and Grants

Contributions and grants are recorded as revenue in the year notification is received from the donor. Support that is donor-restricted, either by program or by time, is reported as an increase in temporarily restricted net assets. When the restriction expires, that is, when a time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets as net assets released from restrictions.

Contributed Services

Contributed services are recorded at their fair market value.

Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, salary and other overhead costs have been allocated among the programs and supporting services benefited based on time expended.

Foreign Exchange Transactions

Assets, liabilities and transactions related to the Global Fund for Children UK Trust which are included in the consolidated financial statements are converted to US dollars. Assets and liabilities are converted at year-end using the spot exchange rate. Operations throughout the year are converted using the average exchange rate.

Uniform Prudent Management of Institutional Funds Act

During 2008, Washington DC enacted the Uniform Prudent Management of Institutional Funds Act (UPMIFA). Under UPMIFA all unappropriated endowment fund assets are considered restricted.

Subsequent Events

In preparing these financial statements, GFC has evaluated events and transactions for potential recognition or disclosure through October 29, 2015, the date the consolidated financial statements were available to be issued.

NOTE 2 PROMISES TO GIVE

Promises to give as of June 30, 2015 and 2014, are unconditional. Amounts due after one year are discounted at the rates of 0% and 1%. Promises to give are considered fully collectible and are due as follows at June 30:

| | 2015 | 2014 | | |
|--|---------------|-----------------|--|--|
| Promises to Give Due in Less Than One Year | \$ 440,574 | \$ 2,089,822 | | |

Investment income for the years ended June 30, 2015 and 2014 consisted of the following:

| | | 2014 |
|--------------|----------|----------|
| \$ 94,168 | \$ | 55,076 |

| \$ \$ | (72,264) | (72,264) |

In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect amounts reported in future consolidated statements of activities.

NOTE 4 FAIR VALUE MEASUREMENTS

The following table presents GFC's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of June 30:

NOTE 5 CAPITAL LEASE OBLIGATION

Amortization expense of \$2,725 and \$2,498 was recognized on the capitalized equipment for the years ended June 30, 2015 and 2014, respectively.

NOTE 7 PROGRAM SERVICES

Program services are segregated by type of activity within the consolidated statements of activities. The following indicates the specific activities that are included in each program area:

Programs

Grantmaking

The Global Fund for Children identifies and invests in community-based organizations around the world that use education as a vehicle to protect and expand the rights of vulnerable or marginalized children. GFC's grants are allocated into four major portfolios – Learning, Enterprise, Safety, and Health – and two smaller ones, Responding to Crises and Creative Opportunities.

In addition to these program grants, grantee partners are also able to access other value-added services, such as assistance in organizational development, and access to various knowledge initiatives like the knowledge exchange workshops. For the year ended June 30, 2015, GFC awarded 285 grants to 206 community-based organizations.

Books

Since 1994, GFC has developed internally an award-winning collection of books to teach children the value of diversity and help them to be aware, caring citizens of the world. With 35 children's books, and over 2 million copies in circulation, GFC's books have reached a wide audience. As of June 30, 2013, GFC ceased development of additional titles. GFC will retain the rights and royalties on existing titles and will participate in future royalty agreements for books produced on its behalf using the GFC name.

NOTE 7 PROGRAM SERVICES (CONTINUED)

Communications

Through its communications efforts, GFC uses digital media, photography and stories to tell the about its work and that of its grantee partners to transform the lives of children born into hardship and hopelessness. Through its issues and regional briefs, through leadership efforts, and its website, GFC promotes grassroots organizations making a real difference.

NOTE 8 CONTRIBUTED SERVICES

During June 30, 2015 and 2014, GFC received services with an estimated fair value of \$119,076 and \$52,456 respectively, in the form of pro bono legal services. These services were dedicated to administrative legal advice.

NOTE 9 OFFICE LEASE

GFC rents office space for its headquarters under a non-cancelable operating lease. GFC entered into a 123-month non-cancelable operating lease to expand the headquarters office space effective in April 2008. Rent expense related to this office space amounted to \$411,890 and \$417,341 for the years ended June 30, 2015 and 2014, respectively. Rent expense reflected on the consolidated statement of functional expense and the statement of activities – U. S. Operations for the year ended June 30, 2015, includes the expense of storage space.

Rent for the operating lease is recognized on a straight line basis over the term of the lease. Tenant allowances have been recorded as leasehold improvements and a liability for deferred lease obligation. The leasehold improvements and related liability have been amortized over the term of the lease. The liability related to the straight line rent and unamortized portion of the tenant allowances are recorded in the accompanying consolidated statements of financial position as deferred lease obligation.

Future minimum payments on the office lease are as follows:

| Year Ending June 30, | linimum Lease Payment |
|----------------------|-----------------------------|
| 2016 | \$ 454,427 |
| 2017 | 465,778 |
| 2018 | 477,418 |
| 2019 | 17,588 |
| Total | \$ 1,415,211 |

NOTE 10 TAX SHELTERED ANNUITY PLAN

GFC maintains a contributory defined contribution plan under Section 403(b) of the Internal Revenue Code for the benefit of its employees. All employees, except for part-time employees who normally work less than 20 hours per week, may participate in the Plan. The Fund may choose to make a discretionary contribution to the Plan. In order to be eligible to receive a discretionary contribution, an eligible employee must complete two eligibility years of service. Pension expense for the Plan totaled \$59,801 and \$68,175 for the years ended June 30, 2015 and 2014, respectively.

NOTE 11 CONTINGENCIES

GFC receives a portion of its revenue from grants and contracts. The ultimate determinations of amounts received under these programs often are based upon allowable costs, reported to the donor. In some instances, the donor reserves the right to audit the program costs. Until the final settlement is reached with each donor, there exists a contingency to refund any amount received for costs deemed unallowable in an audit conducted by a donor. Such settlements, if any, will be recognized as revenue or expense in the period the amount is determined.

NOTE 12 CONCENTRATIONS OF RISK

GFC maintains demand deposits which may, at times, exceed federally insured limits.

NOTE 13 ENDOWMENT

GFC has donor-restricted endowment funds. As required by GAAP, net assets of the endowment fund are classified and reported based on the existence or absence of donor-imposed restrictions. GFC has interpreted the District of Columbia's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, GFC classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by GFC in a manner consistent with the standard of prudence prescribed by UPMIFA. GFC considered all amounts earned on the endowment fund to be appropriated for current use.

NOTE 13 ENDOWMENT (CONTINUED)

Investment Objectives and Strategies

To insure preservation of its long-term endowment investments, GFC established an investment policy which reflects a "total return policy." Total return is defined as a combination of realized and unrealized capital appreciation. The investment objective is focused on preservation of capital and diversification of investments across various asset classes and numerous industries and sectors to minimize volatility and risk.

Spending Policy

UPMIFA's spending provisions apply to endowment funds. Unless specifically directed to the contrary by the donor, under UPMIFA GFC may expend so much of the endowment fund as an ordinary prudent person in a like position would spend for the uses, benefits, purposes, and duration for which the endowment fund was established. GFC has adopted an expenditure policy to comply with the provisions of UPMIFA in its spending from endowment funds.

The following is a summary of endowment funds subject to UPMIFA for the year ended June 30:

NOTE 14 LINE OF CREDIT

In March of 2013, GFC opened a revolving line of credit in the amount of \$750,000, which expires on November 2, 2015. The interest rate on funds borrowed is Prime plus 50 basis points with a floor of 5 percent. GFC is required to pay down the line to zero for 30 days during a 12-month period. There are no fees or charges associated with this credit line beyond interest on funds borrowed. GFC did not draw down on the line of credit during the year ended June 30, 2015.

NOTE 15 SEVERANCE

GFC has an employment agreement with its Chief Executive Officer (CEO). Should the CEO be terminated without cause, the agreement requires GFC to pay a severance amount according to the terms in the employment agreement.
