

## Accounting and Finance Intern – Summer 2020

### **How does it all work?**

Global Fund for Children works to build a world where all children and youth are safe, strong, and valued. To that end, we partner with innovative, locally led organizations, helping them deepen their impact and build their capacity for social change. By pairing flexible funding with targeted capacity development services, we help our partners grow stronger and more responsive to challenges on the ground. Since 1997, we have invested more than \$44 million in over 700 organizations. Our work advances the rights of children and youth across four focus areas: education, gender equity, youth empowerment, and freedom from violence and exploitation.

You will join a multinational team of caring and committed individuals who believe in investing in bold ideas to help grassroots organizations deepen their impact and advocate for children's rights. We value courage, excellence, learning, partnership, and inclusion, as well as kindness and passion. Our partners' visions for change inspire all we do. Feedback and learning inspire us to do better, and we strive to be youth centered.
