

# Our Partners

Resilient. Bold. Dedicated. Our partners equip children and youth with the tools to lead lives of dignity and independence. They have the passion and local knowledge to transform their communities. We help them achieve that goal.

## Our community-based partners are...

- Promising** We invest in high-potential, early-stage organizations.
- Local** Our partners are experts on their communities' cultures, concerns, needs, and resources.
- Innovative** Our partners challenge assumptions and paradigms, bringing a fresh perspective and approach to deep-rooted problems.
- Nimble** From natural disasters to political unrest, our partners adapt quickly to changing contexts.
- Growing** We seek out organizations with the potential to deepen and replicate their programs to achieve maximum impact.
- Courageous** Battling complex problems with limited resources, our partners do whatever it takes to improve children's lives.
